## polymer gate fittings

## gate hardware

- 907 polymer side pull magnetic latch
- 910 polymer hinge safety cap
- 904 polymer top pull key lockable child safety magnetic gate latch
- 908 polymer gate pull handle
- 903 polymer heavy duty adjustable self closing hinge max 60kg gate per pair. suits metal post + metal gate
- 909 polymer quiet gate stop
- 905 polymer key lockable privacy + security gate latch
- 901 polymer heavy duty adjustable self closing hinge max 60kg gate per pair. suits timber post + timber gate
- 911 polymer key lockable dropbolt 457mm
- 912 polymer key lockable dropbolt 610mm

**we've got hardware mates for your gates**

- 938B ironbark gate latch
- 937B chateau gate latch
- 926B rustic gate latch
- 913S dropbolt 300mm
- 925B rustic slide bolt 400mm
- 923B rustic slide bolt 200mm
- 924B rustic slide bolt 300mm
- 915S padbolt 110mm short throw
- 917S padbolt 150mm short throw
- 918S padbolt 150mm long throw
- 916S padbolt 110mm long throw
- 609B tower bolt
- 607B traditional bolt
- 608B wrought iron bolt
- 914S dropbolt 450mm
- 921B gate D latch
- 931G brass padlock o/a 25mm
- 932G brass padlock o/a 35mm
- 933S carbine padlock with 30mm shackle
- 934S carbine padlock with 50mm shackle
- 983 galvabond sliding gate track 56 x 17mm
- 981 low voltage gear motor for max 400kg sliding gates MOD C720
- 920S D latch arm
- 919S gate D latch with flat strike
- 919B gate D latch with flat strike
- 935S hasp + staple galv 185 x 50mm
- ball bearing weld on gate hinges suits timber post + metal framed gate
- 930S/L (left handed)
- 930S/R (right handed)
- ball bearing gate hinges suits timber post + timber gate
- 927S/L (left handed)
- 927S/R (right handed)
- heavy duty ball bearing strap hinge suits timber post + timber gate
- 928S/L (left handed)
- 928S/R (right handed)
- 984 - sliding gate roller 90mm diam / 390kg per pair
- 982 sliding gate catcher
- 980 24v articulated arm automated gate opener MOD 391
- sliding gate racking provided with 981 gate motor
